Subject: Gymnastics Classes Feedback

Hello,

Good Afternoon,

I just wanted to give you a little feedback about the Gymnastics Club.

The classes are going extremely well and all the children work very hard. It is very evident that the children are all driven and working really hard to develop their skills.

Already in these short few weeks, the sessions are going very well, we have been using all the equipment and the children love the sessions.

In the previous weeks they have learnt a variety of rolls, jumps and balances, benches and different ways to travel along, as well as different cool down games at the end. More importantly they cannot wait to show them off to the rest of the class at every opportunity.

Each week we like to give out a Gold Star sticker to a pupil who has stood out in that particular session.

So far we have given the gold stars out to,,and

The children are a pleasure to teach and I am happy with the progress the children are making.

We look forward to seeing how far they progress in the next few weeks.

I am looking forward to coaching them again on Monday.

With thanks

Paige
