

**Dear Parent/carer**

This letter explains why we will need to ask for your consent before we are able to take photographs of your child during their time at Burham CE Primary School.

Generally photographs are a source of pleasure and pride. We believe that the taking and use of photographs can enhance the self-esteem of children and their families and therefore is something to be welcomed and appreciated.

We may take photographs for a number of reasons whilst your child is with us, including:

- documenting and recording education activities
- recording their learning and development progress
- recording special events and achievements

We will also encourage children to be active learners, and to become involved in using cameras themselves by taking photos of their surroundings, activities and of each other.

We do however recognise that with the increase use of technologies, particularly digitally and online, the potential for misuse has become greater and we understand that this can give rise to concern. We will therefore endeavour to put effective safeguards in place to protect children and young people by minimising risk.

We are mindful of the fact that some families may have reasons why protecting a child's identity is a matter of particular anxiety. If you have special circumstances either now or at any time in the future which would affect your position regarding consent, please let us know immediately in writing.

We include the safe use of Cameras and Images as part of our Online Safety Policy, which you are welcome to view on our school website: [www.burham.kent.sch.uk](http://www.burham.kent.sch.uk) and follow the link on the side menu (download policies and reports) or take a copy of at any time.

To comply with the Data Protection Act 1988, we need your permission before we can photograph or make any recordings of your child. If your child is old enough to express their own view, you may want to consult with them about categories of consent, and we invite you to use this letter to explore their feelings about being photographed at the setting.

Please read and complete the attached forms and do not hesitate to contact me should you have any queries.

Yours sincerely,

Miss Grima
