

COMPASSION, ACCEPTANCE, RESPONSIBILITY, FORGIVENESS, TRUST

Dear Parents and Carers,

4th December 2015

We were thrilled with the support given by our parents and families at our PTFA Christmas Fair last Friday. We would like to thank all their members and helpers before and during the event - we fully appreciate all their efforts and hard work!

It was lovely to welcome many of our Year 4 parents (children in Meerkat Class) to assembly on Monday. The children enjoyed leading our St. Andrew's Day Act of Worship

Football Club and Netball Club

There will be no further sessions of football and netball club this year. Football club recommences Wednesday 13th January and netball club on Thursday 14th January.

Christmas Lunch – Wednesday 16th December

A reminder that you need to return your child's Christmas lunch slip by Monday 7th December if you have not already done so. Meals are free for infant children and £2.25 for KS2 children.

'Shake, Rattle and Roll' Wednesday 9th September – KS2

Please note that there will be a KM photographer here during the afternoon performance. If you have any objection to your child appearing in any photographs please send in a note to their class teacher. A reminder of our 'Use of Images Online' guidance to parents taking photos/videos during any of our performances (both infant and junior) can be found on the reverse of this newsletter.

Advent Eucharist – Friday 11th December

We should like to remind parents of our Advent Eucharist Service which will be led by Reverend Mike Hayes next Friday. Parents, families and friends are all welcome to join us at 2p.m.

Next Tuesday we shall be saying a sad farewell to Miss Lee who has worked as a teaching assistant in Penguin Class this year. Mrs. Bowyer (teaching assistant), who is well known to all the infant children, has moved to Penguin Class to work with Miss Hyder.

Yours sincerely

Miss Grima

Burham CE Primary School Guide to the Use of Images Online

Using Images Safely and Responsibly

We all enjoy and treasure images of our family and friends; family events, holidays and events are moments we all like to capture in photos or on video.

We now have the exciting dimension of adding our images and videos to our online social networks, such as Facebook, YouTube and many other websites. This means that we can easily share our photos and video with family and friends.

Whilst this can be very useful to all of us, we must ensure we protect and safeguard all children and staff, including those who do not want to have their images stored online.

What should we all think about before posting any images or video online and are there any risks?

- Once posted and shared online any image or video can be copied and will stay online forever.
- Some children are at risk and **MUST NOT** have their image put online. Not all members of the community will know who they are.
- Some people do not want their images online for personal or religious reasons.
- Some children and staff may have a complex family background which means that sharing their image online can have unforeseen consequences.
- Therefore in order to keep all members of the community safe we must all **'Think Before We Post'** Online

At Burham CE Primary School we are happy for parents and carers to take photos and video of events for personal use but request that these images are not distributed or put online. This is to protect all members of the community.

We thank you for your support,
