Dear Miss Grima (and all the lovely staff at Burham)

I just wanted to let you know that [redacted] have been offered a place at [redacted] School which is near us.

I have been (and the girls) nothing but happy with Burham and the only reason the girls are leaving is because it will make a massive help to my expenses.

I'm so sorry because you have all been amazing and are such a brilliant school and it does make me feel sad because the girls have thoroughly enjoyed every moment with you.

As from Monday the girls will be [redacted]. I haven't yet told them as I want to keep them changing school private.

Thank you for everything and being a brilliant school.
