Dear Parents/Carers

Here is an update on forthcoming events from the PTFA. Year R families and others new to the school may not be aware of fundraising efforts coordinated by the PTFA. The funds go towards equipment and experiences that benefit the children of the school, such as the ZooLab, the PA system and the projector which make assemblies more interesting and visual. A number of events are held through the year and anyone willing can help, just pass details into the school office or approach for example Helen Copely-Maynard, Sarah Allen, Lyn Robinson, Josie Smith or Catherine Philpott at the school gates.

AGM

It is appreciated when individuals make a commitment to help organise events. The committee meet approximately six times a year. If you have ideas to share and help implement then look out for the AGM date when the committee is established for the coming year. This will be after the October break and is likely to follow the 'Grand Exhibition', when creative projects are viewed at the end of the school day.

Christmas Venture

A date for diaries is Friday 28th November, 3.30pm start. Look forward to a fresh feel to the 'Christmas Fair' and plenty of child focused stalls with more details to follow.

Kids on the catwalk

We will have a large number of children modelling from the school to display clothing sold by this company on Friday 10th October, prompt start at 6.30pm. It promises to be an entertaining evening with the school hall staging transformed into a catwalk surely to rival Milan or New York! There will be an opportunity to buy from the ranges modelled, take part in the raffle and purchase refreshments after the show.

Tickets are priced at £2.50 per person; no discount for children is possible. Ticket orders using the slip below, with cash payment should be given to the school office in a named sealed envelope as soon as possible. In the event that orders exceed the hall's safe capacity, then tickets will be issued on a first come – first served basis. We look forward to seeing Kent's fashionistas support this show.
