

Meerkat Class TASC & Outdoor Learning plans Term 4

TERM	TASC (1 per term)	OUTDOOR LEARNING (2 per term)
3	<p>SCIENCE: Create a 'lesson' to show your understanding of one objective from this term's topic. (Children grouped according to objectives they were weaker in to reinforce learning)</p>	<p>INSPIRING WRITING WEEK: Make ice sun catchers: Go around school and collect bits and pieces to go in e.g. leaves, berries etc - looking for a range of colours and textures. Back in class show how the plastic cups were cut (they'll need to include this part in their instructions this pm). Adults pour in small amount of water then children add their leaves etc. Can finish with a sprinkle of glitter. Adults take to put in freezer.</p>  <p>EASTER WEEK: Maths Easter hunt (cards hidden around school grounds with Maths problems to solve)</p>
