

Email from parent received May 2018

'I'm just writing to thank you and let you know how impressed I've been with your school since my daughterstarted in year .. back in February.

..... has settled very quickly and everybody at the school pupils/staff have been so friendly and helpful.and we (her father and I) are delighted with her progress in such a short space of time. M... has been fantastic,loves being in her class, she always provides encouraging, positive feedback.

You can see all the children are very happy and can't wait to come to school.'
