## Our Cyber Safety Team 2017/2018

Two of our pupils attended Kent Police's Young Digital Leaders Day in February 2017 and now form an integral part of our Cyber Safety Team below.

The team have been working together discussing how to help children stay safe when using the internet and what to do if there is a problem.

So far this is what we do/have done:

- Routinely help people
- Represent safety in our school
- Think about online safety
- Watched videos of how things can go wrong
- Made posters and put them up around the school
- Made up quizzes
- Put together a Cyber Safety Team display
- Led an Act of Worship on online safety
- Told children and adults about being safe online
- Made plans to lead something on online safety
- Told children about the 4 golden rules
- Made a booklet and statements about online safety for our quiz in Act of Worship
