

Giraffe outdoor Learning for Term 1 2018:

Day	Learning objective and success criteria	Outdoor activity	Follow-up activity
Friday 21 th September	To understand how history impacts our environment To make careful observations	Learning walk around the village to spot Victorian houses, then a walk to Burham old church to look at Victorian graves and make comparisons with modern times. Photographs will be taken.	Children will sketch one of the Victorian buildings. Discussion to compare Victorian housing and gravestone to modern day housing and gravestones - what does this tell us about Victorian society?
Monday 2 nd October	To investigate the pulse To make observations and recordings	Children will investigate how different types of exercise affect the pulse - using Gym equipment on the field and the trim trail. Children will observe and record their pulse rate after different types of outdoor exercise.	Write up of investigate and producing line graphs. Discussion about which type of exercise is best.
