

Dear Miss Grima,

I just wanted to thank you and your staff for the great Family fun day you put together. In my opinion, this one was the best of the four I have attended so far. My children loved the individual races but even more so the team races. They were so excited they even made a sign in the morning for me to hold up and support their team. And I have to agree with them. The team races were great and it was wonderful to see children and adults cheering the teams on. The most touching moment came when the whole school cheered Michael on in the YR team race. I think it captures the schools communal spirit so perfectly.

The picnic in the end of the event is a nice way to end the day and both adult and children seem to enjoy it a lot. At least, I and my friends do.

Thank you once more for the great day!

Kind regards,

--

Dear Ms Grima,

Please find below my views on the Family Fun Day and Summer Fair.

Family Fun Day:

This was a great event. Our son really enjoyed the races and it was great to see all the children so engaged and happy to try their best. The parent races were good fun too! The picnic afterwards is a brilliant idea as that gives the parents a chance to socialise with each other too. Our whole family truly enjoyed the day. Thank you for all the school staff for organising such a fantastic day.

Summer Fair:

This was another great day out. The atmosphere was so friendly and welcoming and there was enough to do for the whole family. Our boys loved the go-karting and trying all the different activities, not to mention the cakes and popcorn on offer. A lovely, relaxing day for the whole family.

Kind regards,

Hi, pls can you forward this to Miss Grima, thanks!

We loved the sports day and as a new family it was a great way to mingle with other parents and watch the kids and join in a bit too. The kids loved that we all had a picnic together afterwards. It was just the right length so the kids weren't overtired.  
Thanks!

RE: Sports Day

Dear Miss Grima,

I wanted to thank you for the efforts put into Sports Day this year.

It was wonderful to see the children have a lovely day and so many parents also enjoying the day together.

Looking forward to next year,

Thank you again
