

We are Da Vinci – a new school for Dartford, Gravesend, Maidstone, Sevenoaks, Swanley and Tonbridge!

We are a team of passionate educational professionals who are applying to open an all through school for 4-16 year olds. Da Vinci School will be open to all children and specialise in a dyslexia friendly approach.

Our first stage is to open a secondary mainstream school in the Wrotham area in September 2022 or 2023.

We will be open to all and aim to offer places to children and young people from Dartford, Gravesend, Maidstone, Sevenoaks, Swanley and Tonbridge.

We will use multisensory methods to provide successful teaching to all children, regardless of learning style. The school will have a particular emphasis on mastering the core skills of literacy and mathematics and carefully monitored grouping will be used to provide repetition for those that need it and progression for those that don't, ensuring that all pupils work at a realistic but challenging level for them. This will be complemented with a creative and active approach towards the other subjects, unlocking pupils' passions and leading to a deeper motivation to learn.

We are sure that children of all abilities will benefit from this school.

We are in the process of identifying a central site that is accessible to secondary children from the surrounding towns of Dartford, Gravesend, Maidstone, Swanley, Sevenoaks and Tonbridge where there is a lot of pressure for places and fewer choices outside of faith, grammar and private schools. Once the secondary school is established we would seek to open a primary section to serve the local villages, complementing the established primaries to meet the growing need for places in the area due to population growth and the impact of housing developments.

Please help us to demonstrate to the Department for Education that there is local support and a need for this school. Five minutes of your time will benefit a lifetime of learning.

Thank you.

Abby and Fiona

Show support - We're nearly at our target of 1000 signatures!

Help us reach our goal and sign our petition

Please fill in our parent survey if your child is currently in Years 2, 3 and 4
